**Historian Tom Dawdy** has been collecting the menu's of our oldest restaurants. He had an old brochure of SHOP MILLBRAE to show us. Tom told us that Clay Priola brought him a hard-bound book he borrowed from the grand opening of the SFO International Airport terminal. He asked approval to order a book for the Museum, if there is not already a copy of it in house.

**Antique Photos:** He has a couple leads, from talking to a past sports writer, that he knows where the film is stored of the historic Baseball game between Mills High School and Capuchino High School in 1963. The film has been transferred to DVD for easier viewing. Also, it was related that Molly Figone may have movies of times when the kids were younger. More: Tom received a call from Joan Jeffries (Fagnani) and she may have some pictures, too.
